**R.C. "RICK" MOBLEY JOINS WALKER PARKING TEAM AS
SENIOR TRANSPORTATION CONSULTANT**

Walker Parking Consultants, the nation's recognized leader in parking consulting, today announced that Rick Mobley has joined the company as a Senior Transportation Consultant.

Rick brings to Walker over 30 years experience in conducting and managing major transportation, site development, urban planning, and design projects across the United States. He has developed a specialty in conducting studies and designing major parking facilities. He has also held leadership positions with several professional societies including the American Planning Association, Institute of Transportation Engineers, and advisory positions for Texas A&M University.

Prior to joining Walker, Rick worked for Wilbur Smith Associates for over 25 years. He also worked at two other consulting firms where he focused on marketing, sales, and the Metropolitan Transit Authority of Harris County (METRO).

Walker Parking Consultants is a parking consulting and design firm with offices worldwide specializing in the planning, design and restoration of multi-level parking structures. Clients include entertainment and real estate developers, hospitals, universities, municipalities, and airports. Founded in 1965 and headquartered in Chicago, Walker Parking Consultants maintains a professional staff of over 200 engineers, architects, technicians and support personnel in fourteen offices throughout the United States. Walker Parking Consultants is the only Parking Consultant in Engineering News Record's Top Design Firms (we ranked 283 out of 500) in 2011 and Building Design and Construction's Giants 300 (we ranked 20 out of 50 in the Engineer/Architects category) in 2010.
