HEADLINE: Dan Kupferman Manages to Park at Walker

January 3, 2012:

Dan Kupferman, CAPP joined Walker Parking Consultants as a new Director of Car Park Management Systems, working out of the Boston office. He brings over 20 years of parking operations, parking access and revenue control, and sales experience to the firm. Prior to joining Walker, Dan was a Business Development Manager with Parkeon, selling multi-space payment systems. His parking operations and equipment experience includes work with several national operators and overseeing significant installations in the Boston area while serving as a Regional Manager with Network Parking, where he grew the business from 1 to 20 locations. Dan has always embraced technology, and was one of the first operators in New England to implement Pay-On-Foot and then Pay-In-Lane technologies.

Dan graduated magna cum laude from Eastern Nazarene College with a Bachelor of Science degree in Business Administration and received his Certified Administrator of Public Parking (CAPP) certification through the International Parking Institute (IPI) and the University of Virginia. He has held numerous positions with IPI, and currently serves on their Board of Directors. Dan is also President of the New England Parking Council.

Walker Parking Consultants is a parking consulting and design firm with offices nationwide specializing in the planning, design and restoration of multi-level parking structures. Clients include entertainment and real estate developers, hospitals, universities, municipalities, and airports. Founded in 1965 and headquartered in Chicago, Walker Parking Consultants maintains a professional staff of over 215 engineers, architects, technicians and support personnel in fourteen offices throughout the United States. Walker Parking Consultants was ranked 283 in Engineering News Record "Top 500 Design Firms" for 2011.
